Subject: Proposal from DGR for revision of Entry & Exit Rules for DGR's Schemes.

Reference DGR's Note No. PC to MF-0049/Policy/DGR/Adm dated 11.5.2018, 31.5.2018 and 28.6.2018 on the subject mentioned above.

2. The matter has been examined and to inform that following proposal of DGR, has been approved:-

(a) Entry to DGR schemes to be based upon the following priorities:-

Priority-I – Officers who retire after completion of their full tenure of service including SSC officers who have served their full term. This will include medically boarded out officers who are fit to undertake DGR Schemes.

Priority-II – Officers who have sought Pre Mature Retirement (PMR).

Note: The sponsorship between Priority-I and Priority-II will be in the ratio of 80:20.

(b) Exit Policy – The benefits of DGR schemes will be extended to officers for a period of 5 years or 60 years of age whichever is earlier except for 'Coal Loading & Transportation Scheme', where a company must run for 5 years irrespective of the age of directors. This is so because the scheme is not viable if run for a lesser duration.

(c) Age of Registration for DGR – Maximum age for seeking any benefit from DGR to be 59 years i.e. ESM must not be more than 59 Years old when he applies for resettlement.

(d) Running of Coal Loading and Transportation Scheme – The scheme will be allotted for a period of 5 years. This may be extended by another 4 years in case no waiting list exists. The following is also recommended to be included into the existing guidelines:-

- (i) Day 1 – ESM(O)s in the seniority list to be approached via email to form a grouping of five ESM(O)s.
- (ii) Day 7 – An ESM(O) rep from each group shall report to the office of DGR for Site Allotment through Draw of Lots.
- (iii) Day 21 – Submission of Feasibility Report by the group.
- (iv) Day 49 – Submission of ROC documents under Company's Registration Act. Final checking of Bank Accounts of the company and prospective ESM(O) directors of the company and issue of Sponsorship Letter.
- (v) Company must report to the subsidiary within 30 days of Issue of LOI from the subsidiary and Commence Operations.

3. This issues with the approval of competent authority.
